Hello and welcome to Creative Catering

About

We are a catering company based in Didcot, Oxfordshire, and mainly serve Oxfordshire and it's close neighbours

Menus

The services that we offer range from Business lunches to hogroasts, to a full sit down meal with waitress service. Please see the Menu's link for more information.

Business Menus

Our client base ranges from an Oxford University College's yearly ball, to a local wedding. Some of our clients have also given us a testimonial, which can be found on the testimonial page.

Design Brief

We were approached by Creative Catering to design a house style design and logo, from which menus, leaflets and a website could be derived.

We produced several classic design schemes for them, and Creative Catering loved this elegant swirl arrangement. After all the content was sent to us, we put together thirteen menus and a website to display them.
